

## COMMUNITY AND TIMBER INDUSTRY B.B.Q.

Access For All supported the Timber Industry at Cobargo Showground on 6th August 2005.

Our members came along with their families to support the Timber Industry and their families.

The logging crew working in the Wandella State Forest were under pressure from extreme protestors to leave the area. Wandella State Forest is near Cobargo on the Far South Coast of NSW and people from a wide section of the community came to support these workers.

Photo 2. Jill Lewis, Australian Manager of Timber Communities Australia, address the gathering and opening the day. In the background is Jarrod Moore. Jarrod came all the way from Tasmania for the day to supply music. Jarrod sang his own songs and entertained the crowd with his very pleasant manner and voice. Jarrod is not only an entertainer but is also a timberman.

Photo 3. Portion of the large crowd of about 500 who attended the gathering.

Photo 4. One of Access For All's strongest supporters, Garry Gowen, doing his bit on duty at the barbecue.
