

## **NPWS NAROOMA BULLETIN 01/20**

To: NPWS stakeholders  
From: NPWS South Coast Branch – Eurobodalla Area  
Date: 21/02/2020 No of pages (including this page): 1

### **RE: FLOODS AND FIRES**

National Parks and Wildlife Service staff are busy working to reopen popular spots in our national parks after this terrible fire season and subsequent flooding event. We are focusing on re-opening popular roads and facilities. Our priority is to make all our facilities safe and serviceable for visitors before they are opened.

At the time of this bulletin:

- Eurobodalla National Park is open, except Brou Lake Campground; please refer to the website for further info re: safety warning on the beaches.
- Mimosa Rocks National Park is due to open on Friday 21.02.2020. Please refer to the website for further information.
- Montague Island Nature Reserve has been operational for some weeks.
- Deua, Monga, Gulaga, Kooraban, Biamanga, and Wadbilliga National Parks and Badja Swamps Nature Reserve and Murrah Flora Reserve remain closed due to extensive fire and flood damage to roads, bridges and public facilities and the potential for further tree fall.

This information will also be posted on the website at [www.nationalparks.nsw.gov.au](http://www.nationalparks.nsw.gov.au) Here you'll find the most recent updates, safety alerts, park closures, access restrictions and fire bans. These updates only stay online for the time they are relevant.

Thank you for your patience.
