RE: ACCESS UPDATE - DEUA NATIONAL PARK

Bendethera and Dry Creek Camping Areas are now **OPEN** and accessible, however, the Service advises to exercise caution if crossing creeks and rivers in Deua National Park. Creek and river bed conditions and depths may have changed significantly following recent heavy rain.

Merricumbene and Dry Creek Fire Trails are now **OPEN**, however, the Service advises caution when travelling on these trails as there still may be a significant amount of timber across the trails.

Oulla Creek Fire Trail is still **CLOSED** and will remain closed until remedial work can be carried out on sections of the trail.
